The Honorable Scott Walker
Office of the Governor
P.O. Box 7863
Madison, WI 53707-7863

Dear Governor Walker,

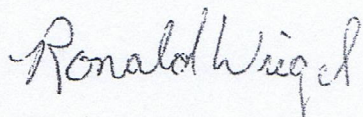

The Shullsburg Ambulance Service would like to express their support for the development of a casino and related business endeavors by the Lac Du Flambeau band of Lake Superior Chippewa Indians in Shullsburg WI.

The Shullsburg Ambulance Service has prided itself in providing timely and high quality emergency care to the members of our community since the volunteer service began in 1971. We are also committed to assuring the safety and satisfaction of our members and patients.

The members of our squad consider this development as an opportunity to increase the number of EMTs as a result of people working and living in our district. We will also have the opportunity to expand our knowledge and understanding to provide patient care effectively and efficiently.

The members of the Shullsburg Ambulance Service look forward to working with you during this development.

Respectfully,

Ronald Wiegel
President, Shullsburg Ambulance Service.
