The Honorable Scott Walker
Office of the Governor
P.O. Box 7863
Madison, WI 53707-7863

Dear Governor Walker,

This letter is being written on behalf of the Redevelopment Authority of Shullsburg, Wisconsin expressing full support for the development of a casino and related business ventures by the Lac Du Flambeau band of Lake Superior Chippewa Indians.

In these trying economic times, the development of new business coming into our area will only help all of the citizens of Lafayette County and ripple into other neighboring communities and counties as well. It is needed to create jobs and support the economy of this area. Such a venture will only increase the amount of tourists to this area, supporting our small businesses struggling to stay ahead. The new jobs it would create can only be a boost to our housing developments and struggling school district. It would also be a reason for other new businesses to open shops, offer new services, etc.

We are asking for your support so the project can move forward.

Respectfully,

Donna M. Rogers, President
Redevelopment Authority of Shullsburg, WI
