Mayor Tom Lethlean  
City of Shullsburg

Dear Mayor Lethlean,

Thank you for requesting my position related to interest in attracting a casino.

I remain in full support of the project provided it has the support of the City and Lafayette County. I will readily support the effort and will make the resources of my office available to assist the effort.

While I can't speculate on Governor Walker's position, I think it is important, as is the position of other state tribes.

Chairman Maulson is welcome to contact me directly to further discuss my views.

He can reach my office at 800.978.8008 or by email to [sen.schultz@legis.wi.gov](mailto:sen.schultz@legis.wi.gov).

With kindest regards,

- Dale
