1. PURPOSE

The purpose of this Request for Proposals (RFP) is to solicit bid proposals from qualified vendors to remove an existing shingled roof and furnish and install a new shingled roof system on the Lac du Flambeau Family Resource Center (hereinafter "FRC") building. All labor, materials and equipment are to be provided by the successful bidder. The FRC is a Tribal entity of the Lac du Flambeau Band of Lake Superior Chippewa Indians. Unless proscribed by the context, any reference in this RFP to "FRC" shall include the Lac du Flambeau Band of Lake Superior Chippewa Indians.

It is anticipated that this RFP will result in a single contract being awarded to a contractor licensed and insured and authorized to conduct business in the State of Wisconsin, with proven experience in removing, replacing and installing shingled roofing systems, and demonstrated ability to meet the specific requirements set forth in this RFP. The contract shall be a 100% performance contract, requiring work to be performed to the satisfaction of FRC and in compliance with the specifications, scope of work and conditions set forth in this RFP and the contract entered into by and between the parties. The successful bidder (Contractor) will be expected and required to adhere to every term of this RFP and the contract between the parties and perform the required functions with expertise, knowledge and capability with minimal monitoring by FRC.

This RFP does not commit FRC to accept any proposal submitted. FRC reserves the right to accept or reject any and all proposals, and to accept or reject any or all items in any proposal. The lowest bidder may not be the successful bidder. FRC reserves the right to select the bidder whose proposal and qualifications are most advantageous to FRC. FRC reserves the right to negotiate with any and all bidders any and all parts of the proposals received, including, but not limited to, cost, scope of work, and other relevant details and to accept the proposal most advantageous to, and in the best interest of, FRC. FRC is not responsible for any costs incurred by the respondents in the preparation of responses to this RFP. The terms "vendor", "bidder," and "respondent" are used interchangeably throughout this RFP and are intended to refer to a person or entity submitting, or intending to submit, a proposal in response to this RFP.
